Residents,

A lot of you will have noticed the broken ash tree next to the Church. Someone, somewhere, saw it happen or knows who did it, and I would like that person to come forward and give a name to the council (780456). Everything will be treated in the strictest confidence; we need to know who is carrying out these acts of vandalism in the Village so that they can be dealt with.

To the person or persons involved in this particular act of vandalism: Cambridgeshire is the county in England with the fewest trees, so

let's not break them, let's look after them, we need all the trees we've got !

At first, I felt a great deal of anger towards those involved, but now, having thought about it, I feel a mixture of sympathy and sorrow for them. If this is the only way they can feel good or show their mates how macho they are, then they are in a bad way. It would be nice to think that in the future they will look back and reflect on these acts and realise how stupid they were. Why wait till then, **realise now, please don't do it** .

Nick Richardson

Parish Council Notes

The monthly meeting of the Parish Council was held on Thursday 17th September in the Old Farmhouse at 7.30 pm.

Cambridge Cables Ltd.

The above company will be laying a cable communication network throughout the Village during 1994. The Clerk has a plan showing the locations of the 50 junction boxes to be sited around Bar Hill, and a list of these locations has been put on the Parish Council notice-board.

Parish Council Workshop alteration to provide Youth Club facilities

The Councillors are keen to enlist the help of young people to support this project. Anyone interested is asked to contact the Clerk to discuss what this would entail.

Charterhall Properties Ltd.

Charterhall had outlined their interest in developing land to the southern side of the A604 between Bar Hill, Lolworth and the Swavesey roundabout. As Councillors would have wished for more clarification than could be given by Charterhall's representative at the meeting, it was agreed that, at a future date, another representative would meet with the Council to discuss this matter more fully.

Future Maintenance of stream between Apple-trees and Watermead.

The Chairman and Clerk had met with representatives of the SCDC and Wilcon to discuss the problem of future maintenance of this part of the stream once it becomes the PC's responsibility. The previous proposal of concrete channeling had been found unsuitable for the site and a further recommendation was made by a SCDC Engineer that a form of mesh be erected to assist in maintaining the bank. Costings for this are

now being sought.

Balancing Lake

Proposals to develop a shallow pond and marshy area on part of the Balancing Lake were put forward by Cllr. Richardson. These were agreed by the Councillors. The cost of initial work would be funded by both the Parish and County Council; however Cllr. Richardson hoped that Village organizations such as Scouts/Cubs would help with this project. Anyone else interested in giving their active support should contact either Cllr. Richardson or the Clerk.

Wall at front of Village.

As a decision could not be reached on how suitably to replace the now demolished areas of wall, this matter was deferred and the Clerk was requested to write to the nearby residents asking for their reactions to the situation.

Bus Shelters

Plans are being drawn up and quotations obtained for the remaining 2 bus shelters to be built at The Spinney and r/o Otter Close.

TESCO Redevelopment

The chairman read out a letter from SCDC to TESCO architects outlining alterations to their plan which the Action Group would wish to be implemented.

Village Landscaping

It was agreed that £700 should be spent on landscaping and replacement of dead trees around the Village this winter.

TESCO re-development, Bar Hill

Dear Editor,

I would be grateful if the copy of this and of the enclosed letter could be printed in full in the Bar Hill News. I appreciate that it is a long letter, but at the Planning meeting held at S.C.D.C. offices earlier this month it was only read in part and gave, as I understand it, an inaccurate view of my feelings toward the proposed TESCO development. I hope and feel it may be of interest to residents in the village to read it in full. I do hope that this may be possible.

Jennifer Jones.

Mr. B. Cleary, Planning Dept. SCDC

Dear Mr. Cleary,

Further to the meeting which we both attended this week at TESCO'S, I feel I must write to put on record the views expressed at that meeting and as I perceive it the problems that are inherent in the plans as submitted. I have had 3 letters and 2 telephone calls, and about 12 discussions with individuals with regard to this matter and as you are aware there are a sizeable number of local residents who feel very strongly about the plans.

The impression I gained was that :

1. TESCO's is in need of refurbishment, which is under way;
2. The proposed delivery route to the side of Gladeside and in front of our Community Primary school and Playgroup is a dangerous and unacceptable route to be taken - the inherent dangers are too vast to contemplate and it is felt that this **must** be altered. (Traffic restrictions for delivery will **never** be adhered to and therefore this must be changed);

3. The large retail unit which, I understand, has a floor area equal to that of TESCO's store at Milton, is excessive both in size and design;

It is not known what type of store will be located here and I most urgently ask the planning committee to call a halt to this area of the development until the type of use is ascertained and the volume of extra traffic so generated is known.

4. TESCO has acquired further land to the rear of their site - to rationalise it, was the reason given, but there are fears that this + TESCO's store + 15 - 17 unit shops + an increased size public house + a vast retail unit and a garden centre will make this development of a size bordering on much more "out of town" shopping complex than we have now. This is all in the "heart" of our village.

5. The last point relates to access to and from Bar Hill onto the A604. It has never ceased to amaze me that this village of over 4,300 people has only **one** way into and **one** way out of the village! An accident - an all-out emergency could occur and emergency vehicles and help could find it difficult, if not on some occasions impossible, to enter the village. This problem **will** increase with further development at the centre of the village.

I would, therefore, in closing, ask that the Planning Committee do not allow these plans in their entirety to be passed until:

- i. The road access and usage is ascertained more precisely;
- ii. That the use of the large retail unit is named and that the volume of traffic be assessed accurately;
- iii. That the urgency of the permission is slowed, at this stage, to enquire more fully into the use of the large retail unit, particularly as it was stated at last week's meeting that: and I quote - "TESCO is not saying that the development will be built - a review of plans could take place"

"TESCO wish approval to be made and they will raise the issue of development - whether the scheme should be modified, **after** monitoring the progress of the Huntingdon store".

I do hope that these points can be brought before the planning committee for their consideration and that the refurbishment and change relating to TESCO Stores and the heart of our village can co-exist in harmony.

Jennifer Jones, District Councillor, Bar Hill.

ROBERT JOHN DID-DELL

Happy Hours - Bar Hill Senior Citizens club

In the September issue of the "News" I reported that the concert party who came to entertain us on the 3rd August were from the Thurlestone WI; apparently this was not so - I must have got my wires crossed. In fact they were "Lorna Custersons and Friends"; my sincere apologies to all concerned; they were certainly very entertaining.

Walton-on-the-Naze and Dedham trip

Again we were extremely lucky with the weather, no rain but a little chilly in the afternoon. The stop-off for lunch in Dedham was certainly worth while to see such a delightful village. You can appreciate how Constable had the inspiration to paint so many wonderful scenes. A visit to the crafts centre made us reflect on times "gone by"; all those toys that were on display in the childrens section brought back so many memories. Reflecting on those memories of years gone by you may be interested to read the following which was sent to me anonymously - whoever it was, thanks - I am sure the "oldies" will relish such reminders.

"What makes a Senior Citizen?"

A Senior Citizen is one who was here before television, the Pill, Penicillin, Polio shots, and antibiotics. We were here before Frozen food, nylon, radar, Fluorescent lighting, Credit cards and ballpoint pens. For us time-sharing meant togetherness, a Chip was a piece of wood or a potato. Hardware was hardware and software was'n't even a word. Girls never wore trousers, we were before tights, drip-dry clothes, dish-washers, tumble driers, freezers and electric blankets, long before any men wore long hair and ear-rings and women did not wear dinner suits. We were here before the 40 hour week and the National Health Service. We got married first and then lived together. How quaint can you get? We were here before Frank Sinatra and cup-sizing for bras. Girls wore Peter Pan collars and cleavage was something the butcher did. We were here before DDT, and vitamin pills, disposable nappies, ozone, jeeps, Pizzas, Batman, Instant coffee, anything decaffeinated, Wimpy, Mc.Donalds and Burger King were unheard of, as were metrication and decimalisation, not to mention microwaves. We were before Word processors, electronic Music, Disco Dancing, and that's not all bad! In our day, Smoking was fashionable, grass was for mowing, coke was something you burnt in a stove and Pot was something you cooked in. To be Gay was a person who was the life and soul of the party and nothing more, while AIDS meant beauty lotion or help for folk in trouble." We, today's Senior Citizens, are a true hardy bunch when you think how our world has changed, and all the adjustments we have had to make along the way. For Happy Hours Members, - really just a recycled Youth Club!

Outings

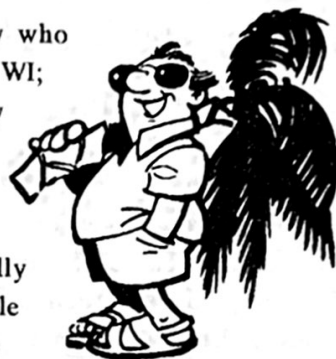

our proposed trip to Worcester and Stratford-upon-Avon was changed due to lack of support and it was agreed to go on a mystery tour instead. The only outing after this will be the shopping to Milton Keynes date to be arranged.

In Memoriam

We are terribly sorry to report the passing of Caroline Walford at the end of August. Her daughter Gwen wishes to thank all members for their kindness and those who attended her cremation. We are extremely sorry to lose Carol; she has been a "Happy Hours" member since its inception. We are pleased to report that there have been no other hospital casualties we are aware of this month.

Annual General Meeting

This will be held on Monday 9th November at 1.30 in the Church Octagon. We sincerely hope as many as possible will attend. Now is the time to think about your nominations for the committee

Bar Hill Sports and Social Club

2. Children between 12 and 18 years may stay until closing time any evening of the week, only if accompanied by their parents or guardians.

As well as offering a comprehensive range of Real Ales, Beers, Lagers, Wines, Spirits, Low Alcohol and Soft Drinks, the club has Fruit and Quiz machines.

Throughout the year the Club offers a wide range of entertainment (mostly free !!) for all the family, so watch the notice board for full details.

Colts Football in Bar Hill

At the time of submitting this article we have just played our first league games of the season, and what a successful start, with 5 of our 7 teams winning. The under 10's, 11's, 13's, 14's and 16's all recorded victories whilst the U12's and U15's lost by small margins.

October sees the start of many of the Cup competitions, but due to preliminary rounds being played in late September we do not know some of the opponents.

However, three teams know who they have to play in the East Anglian (EASY) Cup. The U11's are at home to Deeping Rangers, whilst the U14's and the U16's are away to Garnon Rangers (Epping) and Milton Keynes Crusaders respectively. We wish all of our teams success in these competitions and hopefully we will have some silverware to show off at the end of the season.

In last month's column I inserted an incorrect telephone number for Bridget Hares, who is operating a Boot-swap scheme for the club. My apologies to Bridget and anyone who rang the wrong number. The correct number is 782707. In the next "News" we will have the results of the questionnaire on club colours and identity, and a league and cup competition update.

Bar Hill Chess Club

Bar Hill Chess Club starts again this winter. We meet on Tuesday nights from 7.30 to 10.30 in the farmhouse. Our first meeting will be on September 29th. Anyone interested in chess is welcome to come regardless of ability. We have a small club of about 10 members with playing strengths from novice to county standards. We play skittles matches, and have teaching sessions to learn openings and chess basics, quick-play tournaments and games against computers. For those interested in competitive chess, our club belongs to the Huntingdon and Peterborough Chess league first division. We play 12 matches each year in the league. Last year we finished in sixth place (second last), narrowly avoiding relegation.

This year Nigel Short, the young British Grand master will be playing Jan Timman in a match to determine who will face Gary Kasparov in the World Championship. We will be following this match in the Club to see what move we would play in his place. In the Peterborough area, there are many young people in their teens who are reaching strong international standards. Come out to our Club - we hope that Bar Hill Chess Club can be a starting place for future champions - or more modestly - a place to learn how to beat the computer and a respite from television during the long winter nights.

For further information, contact Bill Cruse 781292

Rugby!!!

Brain Teaser

A farmer earned a certain sum last week by selling birds. Ducklings cost twice as much as chicks, but of 100 birds sold only one-quarter were ducklings. Ducklings were sold at a price of £4 for 10. How much money did he earn that week?

'Who Dares Wins'

Can we dare to trust God in our changing world?

There are so many things that turn out to be untrustworthy; is God just another one of those? Can we dare to trust God in a changing world, and if we do what should we expect of him?

On **Sunday 11th October** at 10 am in the New Church Centre we will be looking at these questions. If you have wondered about the truth of Christianity, whether it works or not, or would simply like to find out more, then why not come along?

During the service we provide a creche for children under 3 and activities for older children. Everyone is most welcome. Further details from James Lawrence 781046
